Education

IB MYP:

I have passed the International Baccalaureate (IB) Middle Years Program (MYP) (Years 7-11, Equivalent to GCSEs) with the subjects of Mathematics, Science, Music, Drama, Technology, Physical Education, English, Spanish and Humanities.

IB Diploma:

I am currently in my second year of the IB Diploma (years 12-13, Equivalent to A-levels) with the subjects of Mathematics Standard Level, Italian ab initio, Biology Standard Level, Psychology Higher Level, Music Higher Level and English Higher Level.

Interests/Experience

I am a keen amateur video editor and wish to study within that field at university leading to a career in television and film post production. In the past I have made some short films with my friends which I do all the post, audio and effects work on, specifically;

- ♣ Ten minute documentary about the history of film technology as part of my MYP Personal Project, finished at DV25 using Sony Vegas.
- ♣ Cutting a private DVD (50 minutes, two camera HDV shoot) video of a charity concert featuring Florence Welch (of Florence and the Machine) – learned a lot more about cut-aways and syncing pictures to sound.
- ♣ I am currently learning how to use Final Cut Pro 7,
- ♣ Through my school's work experience program I spend time at the Moving Picture Company
 - ♣ I shadowed the runners,
 - ♣ cut, numbered and prepared cables,
 - ♣ did other various jobs within the engineering dept,
- ♣ I am currently doing a part-time job cleaning the Root6 Workshop

I am very interested in music and am currently studying grade 6 drums, I am also in a few bands where I play drums, keyboards, harmonica or ukulele.
