I am a recent graduate with experience using Avid Media Composer and Adobe Premiere Pro and Final Cut Pro as well as colour grading experience in DaVinci Resolve and Adobe Speedgrade. I have edited in both multi-cam and single-cam formats as well as in a variety of genres such as music videos, documentary, drama and comedy.

Experience

June 2013, Envy Post

Spent a week shadowing editors, colour graders and dubbing mixers.

Summer 2013 and Summer 2014, Arsenal Media Group

Worked as an assistant editor and technical runner which involved logging match footage with CatDV/FCP and updating the match footage tape archive as well as being a production runner on shoots.

March/April 2015, Shed Media

Spent two weeks shadowing online/offline editors as well as working with ingest and quality control.

January 2015-

Edited and colour graded several projects with friends including music videos and a 30 minute TV comedy pilot.

Education

2013-2015: University of Brighton, FdA Digital Post Production

2015-2016: University of Brighton, BA (Hons) Broadcast Media

Personal Interests

I am an avid musician who mainly plays drums but also guitar, ukulele and piano, I have passed grade 6 in drums and am currently drumming in a band as well as recording my own personal music. I record and edit in my spare time, mostly with music videos of local bands and coverage of concerts.
